TALKING TO THE MOON

Thank you everyone for watching "This Is Me." Summer camps will be offered throughout the summer. Please grab a summer survey to let Jennifer know what dates and classes you are interested in, and full schedule will be available by the end of next week, June 10th. Please hand in fall registration as soon as possible so we can start creating our new fall program!

Next season I will be offering specialty classes on Saturday mornings to enhance all of our dancers. I will be offering Acro, Ballet technique, strengthening and flexibility and many more that will be taught by Jennifer and guest teachers who master in each area.

I hope to see all of you this summer and next fall!

Thank you!!
Dancingly yours,
Jennifer Haider
