Thank you for coming to “Never Gonna Not Dance Again!” I would also like Thank all the family and friends of our performers for your support throughout the dance season. I am so incredibly proud of each and every one of my students! I am excited to see all of the growth in their performances this weekend. Several students this season chose to perform a solo, duo or trio. It has been an absolute pleasure working one on one with each of them and watching their self-confidence and dance ability grow. Instilling self-confidence, love of dance and self-love has always been and continues to be our mission at The Dance Center.

My love for dance began before I could walk. I put on my first pair of dance shoes at age two, started formal ballet training at age five and have passed on my love for dance along with my beautiful and talented mother, Corrine for the last 30 years. Over the last 5 years, I have expanded that passion into the world of musical theatre. On multiple production teams, I have had the privilege to work with amazing talents and more importantly met truly amazing people. It is with these incredible people that I am proud to introduce my next adventure:

MaJic Performing Arts Company (MPAC)

Join us this summer as we begin the theatre company while continuing to build on everything dance! Several drop in ballet, musical theatre and improv classes are available the first 6 weeks of summer. An audition process class for both youths and adults to help better prepare all actors for the challenges auditions present. More camps, classes and workshops will be available in the later half of summer. Keep an eye on our website, Facebook & Instagram for more information.

Experience our new triple threat program, starting in September! Dance, sing & act with a variety of renowned instructors, with decades of experience and an all- inclusive approach. MPAC’s mission is to ***Ignite, Inspire & Impact*** lovers of musical theatre from across the Twin Cities. This is truly my dream to combine my love of Dance and Theatre! Please come experience this dream with me as The Dance Center and MaJic combine to become the ultimate place for creativity and fun. **Come Create MaJic with Me!!**

Dancingly yours,

Jennifer
